

Nursing Home Staff

If you are 18 or older and worked in a nursing home during the COVID-19 pandemic you may be eligible to participate in a research study about your experiences as a direct care provider.

Nursing home staff perceptions of risk during COVID.

What's this study about?

- This study will improve understanding of direct-care nursing home staff risk perceptions and experiences associated with restricted social activities during COVID-19.

What are you asking me to do?

- Participate in a survey and interview taking about 1 hour.

Where do you do the study?

- All activities are done in via phone, email, or videoconference in the place you choose to be in outside of work.

Are you eligible?

- Currently work or worked in a nursing home during the COVID-19 pandemic.
- Social work, activities, or nursing staff (RN, LPN, CNA/GNA)
- 18 years or older
- English speaking

What you will receive:

- \$30 Electronic Amazon Gift Card (must complete survey and interview)
